TOWER's focus has always been to support bowlers, clubs and the national organisation, and their commitment to bowls over the years has been instrumental in helping us grow and develop the sport. In light of this support, the TOWER Bowls Development Fund is available to all bowling clubs who need financial support in the development and implementation of bowls initiatives that attract new participants to the sport, as well as initiatives that improve the skill levels of the Club Executive and volunteers.

Purpose of the Fund

The TOWER Bowls Development Fund has initiatives in two key areas:

1. The creation and promotion of activities to introduce and attract NEW players (adults) and NEW target audiences (age groups and ethnicities) to the sport of lawn bowls.
2. The up-skilling of key volunteers, personnel and Executive Members through short-term training initiatives and conference opportunities that relate to Bowls NZ's Club Plan modules in order to generate an immediate benefit to the club, in terms of improving the club's governance, administration, or operations.
