

WEST AUCKLAND STUDENTS PROVE THAT

"bowls ain't just for nanas"

Students from Lynfield College, Avondale High School, Kelston Boys and St Dominic's College made a bee line for the New Lynn Bowling Club after school last month. Squad6 was in session and the general consensus from the kids was that "it was a lot of fun".

Squad6 is a 4-6 week competition for secondary school students who are just entering the realm of lawn bowls and wish to try their hand at mastering the sport. The organisers and volunteers who run the event wish to create a fun atmosphere and a supportive environment to encourage development in the sport. In its essence, Squad6 is seeking to challenge the age old stereotype of lawn bowls and bowlers. The format for the competition is 6 to a team, any

gender combination, school vs. school, speed bowls style.

The New Lynn Bowling Club hosted the West Auckland 'have a go' and registration day recently. The club's Vice President, Grant Angus and three under-20 players; Ciaran MacElvanna, Sione Manuolevao and Scott Evans provided a comprehensive coaching session for the kids to show them what bowls was all about and to prepare them for the upcoming competition.

Grant has been playing for 7 years now and is a reputable bowler. "Squad6 is a great way to bring the young one's through and nurture their growth in bowls" he says

Is Squad6 for your club?
